

# English Project of Halloween

## History:

Halloween is a tradition that will be celebrated at 31 of October. In the party, children dress up as a character that scares and goes to the houses of the neighbor asking trick or treat. The history of Halloween and its traditions date back more than 2.000 years.

Trick: it refers to the children that make a prank when they don't want to give sweets.

Treat: it is when giving sweets to children and they do not do anything to you.

## **Characteristic of halloween?**

Legend has it that witches, who many believed worshipped the devil, would protect their identities by turning themselves into black cats.
